

CERAMIC SHIELD™

THE HARDEST SHINY ARMOUR FOR YOUR VEHICLE

PRODUCT ADVANTAGES

New ultra-advanced hybrid Ceramic Shield is the most durable paint protection system ever

Hydrophobic molecular formula forces water to flow away from protected surfaces

Forms a conciliatory barrier with the surface, does not peel, crack or haze even in extreme conditions

Helps to protect the painted surface against UV damage, acid rains, industrial fallout, and micro-bruises from surface abrasion

CONTENTS

Ceramic Shield Liquid Coating for 1 full vehicle application (50ml)

Application Pad & Application Cloth

GLASS CERAMIC SHIELD™

THE ULTIMATE GLASS PROTEQTOR
